

Stacey Gray

Age

18 to 24 years

Education

- Currently studies Spanish at the University of Durham
- Just started her first year of University education

Location

- Lives in halls in Durham, England
- Originally born in Chicago in the United States of America, but moved to receive education in the UK

Goals

- Meeting new friends at her new University
- Become a stronger speaker in Spanish as she aspires to move there when she is older

Frustrations

- Does not get along with her flatmates in halls and is struggling to meet new people due to Covid restrictions
- Struggling to develop her language skills

Daily Routines

- Plays games with her friends from home in order to socialise with them
- Studying for University
